What is **volunteering?** Volunteering is assisting a person, group, organization, business, etc. without receiving any financial gain.

What is **extracurricular involvement?** An extracurricular activity is an activity, performed by students, that fall outside the school's academic curriculum. Please keep record of how many hours a week you spend doing these activities. In addition, keep record of how many weeks a year you spend doing these activities.

Example: I stayed for baseball 4 hours after school each week for a total of 36 weeks (the full academic year).

What is a n internship? An internship is a period of work experience offered by an organization/professional. During an internship, you are able to job shadow a professional to obtain insights into the daily activities of that specific career.

Please note: You are not allowed to claim community service/volunteer hours/extracurricular involvement/internships if your SHS log sheet is not signed.
